

PARKING - Vandalia is a small town, and parking here has always been at a premium. **PLEASE PLAN AHEAD AND ARRIVE EARLY.** Side street parking is allowed. Do not block driveways, mailboxes, or fire hydrants. If you are in the 39- or 24-mile races you will have to park further away on a side street or at our overflow parking area at the corner of Black Street and White Temple Road, which is about half a mile from the start line. We will have people helping with parking and directing you the best we can. The maps below show where parking is allowed close to the start. **DO NOT PARK AT DOLLAR GENERAL & DO NOT PARK IN THE PENN TOWNSHIP FIRE DEPARTMENT LOT.**
